

Paid Time Off (PTO) Request (App)

Employees can conveniently schedule time away from work by submitting a Paid Time Off (PTO) request through the UKG Pro mobile app. This guide provides step-by-step instructions to help employees:

- Submit PTO requests directly in the mobile app
- Use PTO for approved reasons such as sick days, vacation, emergencies, or personal time off
- Follow contract rules: PTO may not be taken in the final three weeks of the contract unless approved by the Site Supervisor and Shearwater Health
- Understand payout restrictions: PTO cannot be cashed out before the last day of the Employment Terms

By following these instructions, employees can easily manage their time-off requests while staying compliant with Shearwater Health policies.
